And

Where pattern reads:
If you ended the body section after Rnd 5, you will need to work Option 1. If you ended the body section after Rnd 2, you will need to work Option 2.

Pattern should read:
If you ended the body section after **Rnd 3 [2, 6, 5]**, you will need to work Option 1. If you ended the body section after **Rnd 6 [5, 3, 2]**, you will need to work Option 2.

Slable (Twisted Woolly Toppers) - 21st October 2010
The moss/seed stitch doesn't line up correctly when going from the body section into the crown for the medium/21" size. For the crown on this size, ignore specific instructions for the moss/seed stitch and instead continue in pattern as set either side of the cable panel, whilst still maintaining the decreases. (i.e. where it says K1, P1, wou will work P1, K1 etc)

Small and large sizes are correct as written.
